Card**

An Arizona Identification Card

with photo allows law enforcement agencies to rapidly distribute your child's information and photograph in case of an **AMBER ALERT.**

HOW MUCH DOES IT COST?

Cost of an ID card is only \$12.

A new photo will be needed as your child grows and changes. Photo updates are available at MVD and MVD Authorized Third Party offices. A duplicate Identification Card with the new photo costs \$12.

WHO IS ELIGIBLE?

Everyone, including babies.

WHAT DO I NEED TO BRING TO MVD?

The child's Social Security number is required. It will be used to verify the child's identity and to comply with federal and state laws. It will not be used as the Identification Card number. Additional documents from Primary and Secondary lists are also required.

Please see the list of examples of **Primary and Secondary** documents you must bring to MVD or an Authorized Third Party office, when applying for an Identification Card. Two of the documents are required if one has a clear photo of the applicant; or three of the listed documents without a photo. For a complete list, visit azdot.gov/ChildID.

In addition to your child's Social Security number:

- One document must be listed under "Primary," the others under "Secondary."
- All must be originals or copies certified by the issuing agency.
- All must be written in English.
